

Electric City Dirt Riders Meeting
January 14, 2014

Members: 4

Board Members: 4 : Keith Nelson, James Hendershot , Miranda Schippers.

Current balance is:\$13,667

Old Business

~Discussed the Bi law changes for the 2014 season.

~Ideas and layout for the new ATV friendly track.

~HCMA Meeting

~June 15th and July 13th for the Great Falls Races

~Have a practice at the first state race, on the original motocross track. The second state race would not have a practice day but would be held on the new track.

~Bi law changes state that at least 3 trophies per class, and for the little bikes (50s/60s) would have 6-7 trophies.

~purchase 10 more transponders.

~flaggers will wear florescent shirts provided by the HCMA.

~The small piece of land on the track, tried to get appraised, guy will not get it appraised and still wants \$4,000.

~Waldenberg's track proposal.

~old supercross track isn't being used or made profitable.

~central excavation lined up to help move proposal along.

~Cat rental willing to donate rig operators.

~The goal is to have a track to advance skills, and to make a ATV friendly track.

~Get a group of guys together to map out and estimate the cost of the proposed track.

~Starkey made a motion to get a track committee together to put together the new track. (amy second the motion)

~track committee to meet on Sunday at 2pm to figure the cost of fuel and track.

~Wednesday night races

~Discussed how it's not a money maker.

~Have a different award for then end of the Wednesday night series.

New Business

- ~idea was brought up to do a community event
- ~ Hold a 24 hour event
- ~get sponsors and lap times
- ~would be held in September or October.

- ~Porta potty
- ~to get new porta potty off ebay would cost approx. \$825
- ~we have \$1600 grant to get new porta potties in place.
- ~james makes a motion for jesse to get an estimate on permanent porta potty solution.(keith second motion.)

- ~money for improvements
- ~formulate a plan.
- ~about 10% of proceeds would go to things such as security, buildings, porta pottys, fencing ect.

- ~security
- ~spotlight that has a large range. (motion sensor)
- ~possible cameras by the front gate. (due to break ins.)

- ~enforce that the parking lot is 1st gear only!
- ~no wheelies in the parkin lots.

Meeting Adjourned at 8:41pm.
